

# Tech Training: Software TLC

This tutorial covers the installation of academic and miscellaneous software required on all TLC Lab computers. Each cluster of computers requires its own set of applications.

- Windows Academic
- Windows Group Collab
- Windows Audio/Video
- Mac Academic
- Mac Audio/Video

Applications are divided into categories:

- Taylor Standard Software (installed on all fac/staff/lab PCs by IT)
- IT Academic Suite (LDB, SPSS, etc.)
- IT By Request (CutePDF, MatLab)
- Manual Installs (Photoshop, Roxio, InDesign, Audacity, etc.)
